

The Story Behind Just Sippin'

At Just Sippin', we believe every great event deserves great drinks, good vibes, and unforgettable memories.

What started with a passion for bringing people together has grown into a mobile bartending service dedicated to making celebrations easier, more enjoyable, and a whole lot more fun.

From intimate gatherings to big celebrations, we bring the bar to you — wherever your event takes us.

We proudly serve weddings, birthday parties, private events, corporate gatherings, showers, celebrations, and more. Our goal is simple: take the stress out of the bar so you can focus on enjoying your special moment with the people who matter most.

We bring the professionalism, personality, and bartending experience to create a bar experience your guests will remember. Whether you have a signature cocktail in mind or need help creating the perfect drink menu, Just Sippin' is here to make your event one to remember.

You bring the celebration. We'll bring the bar.

Just Sippin' — because every occasion is better with a little something to sip on.
